

JOB DESCRIPTION

Front End Developer

Job Title: Front End Developer
Level: Middleweight
Department: Digital
Based: Hartlebury
Reporting to: Development Team Manager

PURPOSE

We're looking for a passionate Front End Developer to join our award winning digital team. You'll work on cutting edge digital solutions for exciting high profile clients like EE, Jaguar Land Rover, Sainsbury's, Lloyds Banking Group.

You'll lead the Front End development of projects, working closely with a team of designers and developers using a variety of web technologies to create dynamic and responsive user experiences.

PRINCIPLE DUTIES

- Support the team with front end development, ideas and delivery
- Craft digital solutions from technical specifications and client briefs
- Provide consultancy and innovative solutions to digital briefs
- Have your finger on the pulse and be aware of new technologies and concepts that will benefit the department
- Use your experience and knowledge to guide and develop best practice, and improve efficiency and quality

SKILLS & EXPERIENCE

- Writing clean and semantic HTML and CSS
- Creating mobile first, responsive, cross-browser experiences, with a focus on performance
- Experience with CSS pre-processors such as Less and Sass
- Experience with JavaScript frameworks such as jQuery, React and Angular
- Tools like NPM, Gulp, Grunt
- Processes such as bundling, automated testing and linting
- Version Control (Git)
- Accessibility best practice
- Experience working in a similar position

CHARACTERISTICS

- Passionate about creating cool digital things
- Can work well in a team
- Willingness to learn new skills and develop professionally to help further the team
- Positive attitude towards challenging situations and multi-tasking
- Good time management skills involving the ability to estimate accurately the time required to complete digital projects
- Attention to detail and pride in your work
- Good interpersonal skills with the ability to work and communicate with and translate digital solutions to non-IT personnel
- Must be committed to making 'anything possible' with a 'can do' attitude

OTHER REQUIREMENTS

- Able to travel throughout the UK and overseas
- Driving licence

DATA SECURITY

At all times you must work within the guidelines set out in the **DRPG** Information Security Policy and your Employee Confidentiality Agreement. Failure to do so will be deemed as gross misconduct.

FURTHER NOTES

The role will be based primarily in our Worcestershire head office. There will be times when this role will require you to work from the company's other offices. You will be expected to work flexibly and undertake other related commercial duties both in the UK and overseas as the company may from time to time reasonably require.

At all times you must work within the guidelines set out in **DRPG's** Health & Safety Policy and Employee Manual.

THE COMPANY

Established in 1980, we're one of Europe's most experienced and largest, fully integrated, award winning communications agencies. From the strategic communication consultancy, to our complete in-house production facilities for digital media, video, events & print, we deliver to companies of all sizes that span a wide range of markets.

***DRPG** is an equal opportunities employer.*
